**SEPT. 14TH**

Report deadline

**OCT. 18TH**

Testing deadline

GO

**OCT. 20TH**

Final workshop,  
Ceremony

## 2 MAIN CHALLENGES

### Advanced Features & User Experience

Each proposal will have to include the mean to collect, compute and store the data.

#### #1 Advanced Features

Explore new features to make TBM aircraft more autonomous, intelligent and connected.

#### #2 User Experience

Define aspects that will further the TBM experience and expand the aircraft's attractiveness.
